**AN INDEX
BY SUE NICHOL**

Scanned from County Records by

© 2012 Fore-Kin Trails Genealogical Society
Box 802 Montrose, Colorado 81402-0802

This is an index and not an abstract. Enough details have been added to enable the researcher to identify an ancestor. There are two Registers of the Poor extant at the Montrose County Courthouse. These were used to prepare this index.

For a copy of the full records, please write to: Fore-Kin Trails Genealogical Society Box 802 Montrose, CO 81402-0802. The society charges \$20 per hour and 15 cents per photocopy.

As always, there are probably errors in this work. Some handwriting in early records is difficult to decipher. Also, we, humans, make mistakes. We apologize in advance.

Key:

23 - page 23 in the small book

I-23 - page 23 in the big book

Loose pages in the back of the large book are numbered I-153 and on.

The author included descriptive terms such as feeble-minded, insane, demented, colored, lazy, and tramp. These are direct quotes from the courthouse records

Note the large number of requests for help in 1918 due to the Influenza Epidemic and those from 1930-1932 due to unemployment during the Great Depression.
